Poštovani,

Š ugodom obavještavamo da smo nakon testiranja uređaja SuperTech ustanovili uštedu goriva na našim autobusima između 6 i 9%, odnosno smanjenu emisiju ispušnih plinova do oca 55%.

Našu prvu narudžbu dobit ćete čim se za to stvore povoljni materijalni uvjeti.

Uz srdačne pozdrave,

Sa osobitim poštovanjem,

Direktor
Božo Lasić, dipl. iur.

“ Sir,

It is with pleasure that we can inform you that after the testing of the SuperTech device we have ascertained the diminished consumption of fuel at our buses between 6 and 9 %, and lesser exhausting gases of up to 55 %.

We are going to supply our first order as soon as we have provided the favourable financial conditions.

With best regards,

**Bozo Lasic
General manager”**
